Tees That Teach Manners

Check out these adorable Toddler Virtue T-shirts. I love them! And it made me think—Why splash Juicy or GAP or some other name brand across your kid's shirt when you can use words like Courage, Kindness, and Tolerance? Plus, the site recommends an easy way to reinforce the message:

1. Read virtue.
2. Define virtue.
3. Tell a story relaying virtue.
4. Repeat when tee is worn.
5. PASS IT ON!

One thing I don't understand is how did the word Courage tie in to the Chinese Characters below it. It is a symbol meaning "double happiness" and most commonly used on weddings.

The Confucis Symbol is simply a design that symbolizes complete harmony with self and others. Going along with virtues, it is a cute design with the aim of teaching and promoting virtues. Check out www.toddlervirtues.com! They do work.

I used for the first day of swim class. Perfect to encourage toddlers for first day of new things. They really get into it and learn the word too!

Love it! Do they make them in adult sizes too? I have a few adults in mind who could use some refreshers on how to be Kind, Tolerant or to have Courge. I think I like the Confuscis symbol.

My child has already worn his "Tolerance" shirt twice and we are working on what it all means. These shirts are not only good for learning about virtues, but they are excellent vocabulary builders as well as a tool to make your toddler THINK. Way to go Toddler VirtueTees!

My daughter loves her kindness tee. Not even 3 years old and she is talking about being kind to people, cant beat that! By they way, they are super soft!

I love this concept and I think it's a great idea. I'm going to get a few for my daughter for her birthday.
